

Gotherington NDP Steering Group Meeting Minutes
10:00am on Saturday 16th January 2016 at David's house

Present: David Ward, Iain Angus, Phil Aplin, Howard Samuels, Simon Tarling
Apologies: Caroline Ryman, Paul Hughes

Following the visit by David W and Howard to see Nick Croft at TBC on the 15th January, the results of the meeting were outlined.

We need to extend the Consultation Period because the wrong info was sent to the list of organisations.

Ellen has sent emails to the three bodies:- the Environmental Agency, Historic England and Natural England with a copy of the determination and a statement of its reasons. She will keep a copy of both and make it available for inspection and she will copy you with the three emails.. Ellen will also ensure that the residents of Gotherington are made aware of our GNDP to which the determination relates and the fact that an SEA is not required. This will be publicised on our notice boards and website.

The following actions were agreed:

David will talk to David Hearn about arranging an extraordinary parish council meeting where the following will be approved: the fact that our Consultation Period has now been extended to allow wider consultation, and to approve the new extended list of organisations we need to inform that we have entered a Consultation Period. The finish date for our extended Consultation Period will be 4th March 2016.

A banner will be prepared to advertise the fact that the Consultation Period has been extended. **Iain**

The Gardening Club will be informed that they should attend our Q & A session during the afternoon of 20/01/16. **Iain/Phil**

The long list of organisations supplied by Nick will be divided into five parts to allow each SG member to analyse each organisation to decide if they need to know that we are in our Consultation Period. **David**
Email addresses will be added. **Howard, Iain, Phil, Simon and Caroline**

The final composite list will need to be approved by the SG and PC and then sent to Ellen who will send out emails. Those not on our active list will have reasons why they were not selected and this separate list will be sent to Nick. **David**

We need to discuss on Monday 18th January when to contact Kirkwells and Alderton **SG**

Announcements will be made about the need to complete Consultation forms and the Q & A session:

Gardening Club - **Iain**

Wine Club - **David**

Coffee Mornings in VH - **Howard & David**

It was agreed to remove David Hearn's name from the SG list

The meeting closed at 11:30am

David Ward
