

# GOTHERINGTON NEIGHBOURHOOD DEVELOPMENT PLAN

## COMMENTS FORM

The Parish Council and its NDP Steering Group hope you liked our draft GNDP and enjoyed reading it. As you will have observed, a large amount of time and effort has been given to producing this comprehensive report.

This GNDP will help to protect Gotherington from unwanted development until 2031. The Plan will still be required to be fully accepted by Tewkesbury Borough Council and by the majority of Gotherington residents via a referendum.

Part of this process involves listening to any comments from residents on how we might improve this document, so please provide us with your comments and suggestions in the space below.

Thank you for your interest and feedback

David Ward

Chairman NDP
